

# VISUAL3D CONFERENCE 2019:

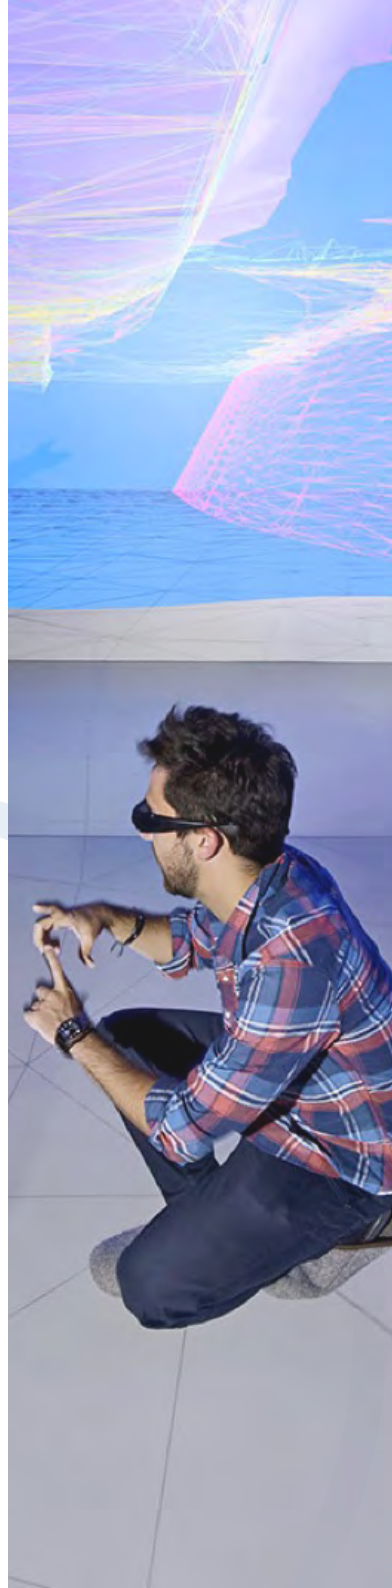

## VISUALIZATION OF 3D/4D MODELS IN GEOSCIENCES, EXPLORATION & MINING

### ABOUT THE CONFERENCE

The Visual3D conference 2019 will be an opportunity for communication of recent and ongoing advances in visualization of 3D/4D content in geosciences, exploration and mining.

A special focus will be the linking of research, education and industry, as well as the integration of multi-disciplinary data and their visualization in three and four dimensions.

The conference format will consist of regular plenary sessions of oral contributions (including keynotes), as well as a poster and demonstration session.

## SESSIONS

- Education
- Outreach & communication
- Applications & case studies
- Research & development
- Software & implementation
- Poster & interactive content

## REGISTRATION

until 1 September 2019

regular: 2000 SEK (~200 €)    student: 500 SEK (~50 €)

from 2 September 2019

regular: 2500 SEK (~250 €)    student: 750 SEK (~75 €)

### Social program

Conference dinner: 500 SEK (~50 €)

City tour: 125 SEK (~13 €)

### Call for abstracts

Deadline for abstract submission: 31 May

Supported by:
