_____ corresponding to _____ credits	
First cycle	
Required courses _____ credits	Optional courses _____ credits
Second cycle	
Required courses _____ credits	Optional courses _____ credits
Decision by	
Signature _____	City and date _____
Printed name and title _____	

INFORMATION

In order for your application to be considered you need to **attach your original grades or a certified copy of the original. Always include the course plan with course literature or corresponding papers.** This can, for example, be an excerpt from the host university's course catalogue. If you are a "free mover" you need to show the courses/study hours/teaching hours/course literature listing a domestic full-time student has per academic year.

Transferred course/part of course is not graded but will receive the mark of TG (credited) in the study administrative system, LADOK, and the diploma.

Turnaround

Luleå University of Technology will process the application for transference as simple, fast, and cost-effective as possible without compromising legal certainty, according to the Administration Act (2017:900), from the receipt of complete application.

Processing of Personal data

The university complies with the General Data Protection Regulation (GDPR). Luleå University of Technology is responsible for all processing of personal data within its operations. This web page describes how your personal data is processed at the University:
