

## Application for recognition of prior learning

Submit your application and upload documentation such as grades, certificates, statements from employers and education on [universityadmissions.se](http://universityadmissions.se)

The university then makes an assessment of whether you are considered to have the corresponding knowledge to cope with the education you have applied for.

### Personal data

Name:	Application number
E-mail	

### Degree programme

Which degree programme have you applied for, and which parts of the entry requirements are you missing?

Degree programme	Entry requirements you are missing:
