

Seminar on Best Practices

From Past to Purpose – Reusing Historic Buildings

 Navettagalleria, Äkäslompolo, Finland / Online

 24 September 2025 at 9 – 11 (EET)

How can we breathe new life into forgotten buildings? Join us for an inspiring event as we explore innovative strategies to re-use and reactivate architectural heritage. The seminar will showcase real-life success stories, where unused or underused buildings have been transformed into thriving community spaces, cultural hubs, creative industries, and more.
