

SPONSORSHIP NOTIFICATION

IAHR Europe Congress

Innovating Hydro-Environment Engineering for a Sustainable Future:
Arctic Waters and Beyond

09 - 12 June 2026, Luleå Sweden

Central Themes

The IAHR Europe Congress highlights advances in hydro-environment engineering and research, addressing challenges related to water systems in a changing world. The congress will focus on 4 central themes:

- A. Climate change adaptation and mitigation
- B. Water for the energy transition, food security and nature
- C. Improving resilience against water hazards and disasters
- D. Digital transformation

International Association
for Hydro-Environment
Engineering and Research

Hosted by
Spain Water and IWHR, China

Why become a sponsor?

The IAHR Europe Congress gathers leading researchers, practitioners, decision-makers, and industry partners from across Europe and beyond. By sponsoring the Congress, your organization gains direct visibility within a highly specialized and influential community while supporting innovation, sustainability, and excellence in water-related sciences.

Sponsorship benefits include:

- ✓ Visibility before, during, and after the Congress
- ✓ Direct engagement with experts and decision-makers
- ✓ Opportunities to showcase solutions, services, and research
